Dear Friend

147

Allow me
to call your attention to an
article in the National Era
of Oct. 5, headed "a voice
from Michigan" on the first
page, - to ask you to give
it a place in your paper
should you think it worth
the room it will occupy.
I think its views are pertinent
& would elicit our most
valuable and our most
valued readers.

Very truly I am yours

Geo. W. Julian
